The First International Conference of Smart Systems and Emerging Technologies (SMARTTECH 2020)
November 3-5, 2020
Prince Sultan University, Riyadh, Saudi Arabia

The first International Conference of Smart Systems and Emerging Technologies (SMARTTECH’20) will be held at Prince Sultan University, Saudi Arabia, during Nov. 3-5, 2020. It provides an excellent forum, which contributes new results in all areas of Artificial Intelligence, Internet-of-Things, Emerging Technologies, Unmanned Systems, Communication and Networking, and Cyber-Security in line with technology advances in the Kingdom under the umbrella of the Vision 2030. The conference focuses on all technical and practical aspects of Smart Systems and Emerging Technologies with applications in real-world and scientific problems. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on smart systems and technologies related to computer science, information technology and engineering as well as interdisciplinary research and applications. SMARTTECH’20 seeks to promote research that carries a strong conceptual message (e.g., introducing a new concept or model, opening a new line of inquiry within traditional or interdisciplinary areas, or introducing new techniques or new applications of known techniques). SMARTTECH’20 welcomes all submissions, whether aligned with current theory of computation research directions or deviating from them. SMARTTECH’20 will be held at Prince Sultan University, Saudi Arabia.

- **Track 1. Artificial Intelligence**
  - Machine Learning
  - Deep Learning
  - Cognitive Learning
  - Evolutionary Computing
  - Data mining
  - Intelligent Decision Making

- **Track 2. Internet of Things (IOT)**
  - Wireless Sensor Networks
  - Industry 4.0
  - Smart Transportation Systems

- **Track 3. Emerging Technologies**
  - Big data analytics
  - Business Intelligence
  - Cloud Computing
  - Smart Systems

- **Track 4. Unmanned Systems**
  - Unmanned Aerial Vehicles (UAVs)
  - Robotics and Automation

- **Track 5. Communication and Networking**
  - Wireless Protocols
  - AdHoc Networks

- **Track 6. Security**
  - Cyber-Security
  - Blockchain
  - Cryptography

**Submissions & Publication**

Papers should describe original and unpublished work about the above or related topics. All manuscripts will be reviewed by three members of the program committee. Authors are invited to submit their papers in English of up to 6 double column pages IEEE format.

The format of the paper should follow IEEE guidelines for the two-column IEEE-sponsored conference proceedings. Templates for Microsoft Word and LaTeX are available here. Authors may use the online submission system hosted by EasyChair Conference System to submit their papers. The submission Web page for SMARTTECH 2020 can be found https://easychair.org/conferences/?conf=smarttech2020

**Publication & Indexing**

All accepted papers are expected to be included in IEEE Xplore.

**Important Deadlines**

Full Paper Submission: May 30, 2020
Acceptance Notification: July 30, 2020
Camera Ready Papers due: August 20, 2020
Paper Registration Due: August 20, 2020
Conference Duration: November 3 - 5, 2020

**Registration Fees**

<table>
<thead>
<tr>
<th></th>
<th>Before Sept. 01</th>
<th>After Sept. 01</th>
</tr>
</thead>
<tbody>
<tr>
<td>For IEEE Members</td>
<td>50 USD</td>
<td>100 USD</td>
</tr>
<tr>
<td>For Non-IEEE Members</td>
<td>100 USD</td>
<td>200 USD</td>
</tr>
<tr>
<td>Student Participation</td>
<td>Free</td>
<td>Free</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th></th>
<th>For Non-Authors</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students authors in developing countries may apply for sponsorship of the registration fees.</td>
<td></td>
</tr>
<tr>
<td>The registration fees may cover up to two papers for the same author.</td>
<td></td>
</tr>
</tbody>
</table>
